Deluxe Oceanview Pool Side

Oceanfront on 200' of **PRIVATE BEACH** the Corsair & Cross Rip is a family owned and operated resort, offering many of the features of a large resort without the large price tag. Situated on three acres, the facilities include two oceanfront room buildings each with outdoor pools and whirlpools, a new three bedroom beachfront rental home and two four bedroom rental homes; all of which are non-smoking.

Our one room units range in size from small to oversized to meet your individual needs. The majority fall into the **Deluxe** category and are oversized with a **KITCHENETTE**, two queen beds, kids sleeper couch, (can be separated by an accordion door), and a 25" TV with HBO programming. Our **Superior** rooms are priced similarly and include a standard size bedroom with two queen beds and a kitchen with full size appliances; most offer whirlpool baths.
