Some of our favorite festivals to try on your next Cape Cod trip:

The **weekend of April 24th** (Patriots long weekend) is **Nantucket's end of winter celebration**. The annual **Daffodil Festival** with thousands of different flowers on display is not one to miss. Saturday is chock-full of events starting with an antique car parade through the town center. Tail gate picnic, parade, flower pageant are just a few of the things that will be in store for your visit.

May is Cape Cod Maritime Month and the best events run from the 10th to the end of the month. This is a Cape wide event that celebrates the mariner history of Cape Cod, including storytelling, ship building models, art exhibits, tours of historical sites like the old life saving station or famous light houses of the National Seashore.

The **Cape Cod Life Food & Wine Festival** **May 31st to June 6th**. Billy Costa of "TV Diner" fame hosted it last year. Over 40 restaurant chefs will present their specialties over seven days. Between wine, dinners and "cultural happy hours," there won't be a sober moment!

Fathers Day (6/14) Auto Show is a one day event that really takes you back to the days of American Graffiti. Downtown Hyannis becomes a pedestrian mall for displaying period cars, (most are from the 50's), and merchant wares. What better way to celebrate Father's Day than to stroll with your dad down memory lane!

The **Provincetown & Nantucket Int'l Film Festivals (6/17-21)** have so many choices of independent cutting edge movies to see you won't know where to start. The movies run throughout the day and night and the nights are full of celebrity fanfare and parties.

June 25th to the 28th the Portuguese Festival (Provincetown) shares the weekend with the **Cape Cod Celtic Festival** (Dennis). You don't need to be Portuguese or Irish to enjoy the cultural celebrations that include traditional foods, dance and wares. You eat, shop and get entertained. Now that's a weekend!
